flower, this may not be the answer for her right now as she will become more impulsive as she drives herself to gain her power for control and fulfilment in her role as a career woman and mother. This attitude of action can lead to defeat. At this time she will feel that the energies of her efforts are being held down by some outside force, she will feel as though it is impossible to make progress and will find it frustrating to tolerate what she finds limiting. Her social life and work schedule is going to be pushed to the hilt as she searches for some 'me' time and free time, solace and solitude is going to become the main attraction. As she moves in to the spring her energies will become more heightened and her focus more sharp, making her life more rewarding.

What can we expect for Holly in the next coming months?

This lady is blessed with such gifts and potential even though she is up against a challenge this year she will get the job done. She is able to push her way through the pile of confusion that will test her will power. Her psychic and intuitive nature will lead her in the right direction. Spiritual matters will exhale so don't be surprised if we hear that she has sought advice from someone who is known in the public eye as a psychic consultant. She certainly has the magic touch and the originality to outshine any

“ As she is presented with more opportunities to explore her talents the crunch for Holly will be making the decision whether or not to try for a baby. ”

competitor around her. There is no doubt that she is inspirational with her many talents and gifts.

Mind, Body & Soul - The Magician card
The magician is Holly's driver for learning fast, sharp lessons on what not to do. She is more than a business woman and she will have the opportunity to explore alternative therapies, beauty products will become something of a key focus for her. We can expect a loss of weight and a gain of weight later on with speculations of a pregnancy. A biography will be written about her and many will be surprised to find out certain aspects of her personality they did not expect to be revealed.

What can we expect for romance?

The main focus is very much more than the romance that she wants to keep secret and private behind closed doors. The strain of fun and laughter becomes a challenge to keep the balance as she moves into midsummer. Her relationship will become stronger in spite of challenges behind the scenes. France is going to play a very important role in her life alongside Italy with properties overseas visited for a hideaway romance. Her charismatic nature will attract an unwanted suitor and this could cause conflict with the law.
